Beginners 1 is for dogs new to the sport. These classes are based on sound agility principles and are manned by instructors experienced in class instruction and in competition. The equipment used is based on the equipment requirements for AKC, USDAA & NADACC trials. Because mixed breeds can compete in USDAA & NADACC trials, we encourage you to enroll your dogs. This is a sport that can be shared by all. The training can be used as a method of instilling confidence in insecure dogs, as agility is fun for both dogs and handlers. Dogs should be in good condition. Some obedience training is good, as dogs will have to come when called and wait for their handler's command to start (basic stay).

Please send a copy of dogs shot records with application. Shots required: Rabies, DHLPP.

FOR MORE INFORMATION: call Canine Workshop, 586-792-8533. Classes are limited to 16, so early enrollment is advisable. Send the form below with a \$25.00 non-refundable deposit. To Canine Workshop, 36339 Groesbeck Hwy., Clinton Twp., Mi, 48035.
